Historically, it refers to the use of rituals, charms, and spells by individuals—often called witches—to influence events, heal, or seek protection. It involves the use of spells, rituals, and symbols believed to invoke supernatural powers to achieve negative outcomes, such as illness, misfortune, or psychological torment. Black magic is often contrasted with white magic, which seeks to promote healing, protection, and positive outcomes.

Audiobooks provide an option for auditory learners or users who prefer listening over reading.

Accessibility also includes language and learning flexibility. Digital Witchcraft And Black Magic can be translated, read aloud, or combined with assistive tools such as dictionaries and note-taking apps.
