When planning a structure, consistency is more important than complexity. A simple, well-defined hierarchy ensures that The Management Of Grief By Bharati Mukherjee remains easy to find even as the library grows.

Subfolders can be used to separate drafts, final versions, and archived files. This approach helps prevent accidental use of outdated documents and supports better version control over time.

When The Management Of Grief By Bharati Mukherjee is text-based and well-structured, keyword searches become significantly faster and more reliable.

Using OCR for scanned documents converts images into searchable text, improving both usability and accessibility across the library.
