Origins of the We Are Church Movement

Background of Francis Chan

His books, notably Crazy Love and Forgotten God, further solidified his reputation as a passionate advocate for living out the Gospel.

The Catalyst for We Are Church

The We Are Church movement was born out of Chan's realization that many modern churches had drifted away from biblical community and discipleship. His frustration with superficial faith and institutional complacency led him to encourage believers to return to the early church's practices—simple, communal, and centered on Christ.

Launched in the mid-2010s, We Are Church was envisioned as both a movement and a global network of believers committed to:

1. Restoring biblical community

Highlighting important sections helps identify key ideas, definitions, or arguments that require further review.

Digital notes can be added alongside highlighted text, enabling readers to record thoughts, questions, or summaries in context. These annotations remain linked to the original content, making it

easier to revisit and understand notes later. Unlike handwritten notes, digital annotations are searchable and editable, enhancing long-term usability.

Many eBook platforms allow users to export notes and highlights. Exported annotations can be used for revision, research, presentations, or collaborative study. This feature is particularly useful for students and professionals who rely on organized summaries and references.

Color-coded highlights add another layer of organization. Different colors can represent themes, importance levels, or types of information. For example, one color may be used for definitions, another for examples, and another for questions. This visual system improves clarity and speeds up review sessions.

Annotations can also evolve over time. As understanding deepens, notes can be edited, expanded, or refined. This flexibility supports iterative learning and continuous improvement, allowing Francis Chan We Are Church to grow alongside the reader’s knowledge.

Power users often combine eBook annotations with external note-taking systems. Linking highlights from Francis Chan We Are Church to structured notes creates a comprehensive learning framework. This workflow supports deeper analysis, synthesis of ideas, and long-term knowledge retention.
